

St. Rose School
2008-2009 Tuition Information

Catholic		Non-Catholic/Non-Supported Catholic	
Per Child*	\$2,908	Per Child	\$3,191

To receive the Catholic rate **you must**:

- Have your child **baptized** (copy of certificate is needed)
- Be a **registered** parishioner with St. Rose or other Catholic church (need to include your church envelope number)
- and be a **contributing member** active in your Parish

We will send the name(s) of your child(ren) to your parish of record (registration form). They will inform St. Rose School of your status. Archdiocesan rules indicate that the parish need not pay assessments if a family is not registered or active in supporting the parish by personal participation or finance. If they indicate you are not active you will be billed the \$250 for each child.

There is a registration fee of \$25.00 per student due February 8, 2008. Your seat fee payment of \$200 per child is due in the school office by March 8, 2008. Your child's seat in class will not be saved until we receive the seat fee. We will begin accepting new students after March 9, 2008 and if classes fill up before your seat fee is paid, your child will be moved to a waiting list. We will have a **RAFFLE** for 1 free seat fee. For all families that pay their seat by the due date: you will be entered in a raffle to have 1 seat fee waived and \$200.00 returned! You have the following payment options:

- **Full Payment**

Parents who pay the child/children's full tuition must have it in by May 30, 2008 and will receive a \$100.00 discount.

- **Monthly schedule by Coupon Book**

Parents who choose this option will receive a coupon book and be required to make 10 equal payments between July 10, 2008 and April 10, 2009.

- **Monthly Payment Schedule by Checking/Savings Account or Credit Card Deduction**

Parents who choose this option will have 10 equal payments automatically withdrawn from your bank account or charged to their credit card between July 10, 2008 and April 10, 2009.

- **Check-by-phone or Internet**

The payment schedule of July to April cannot be altered. Late registration will result in fewer monthly payments, which in turn results in higher payment amounts.

New registrations will need to complete the tuition payment application and send it in with the seat fee.

*Families with multiple children enrolled prior to the 2007-08 school year should contact the office for rates.
